Richmond Fire Responds to Motor Vehicle Accident with Entrapment

RICHMOND, Ill. — On Sunday, July 5, 2026, at approximately 7:35 p.m., Richmond Township Fire Protection District units were dispatched to the intersection of Main St. and Kenosha St. for a motor vehicle accident with entrapment. Richmond Fire units arrived on scene to find a car and an SUV towing a camper, both with heavy damage. There was one occupant in each vehicle who required extrication.

LifeNet Helicopter was requested, and a landing zone was established at the Richmond Fire Station.

One occupant was transported by ambulance to Northwestern Medicine McHenry Hospital. The second occupant was flown to Advocate Condell Medical Center via LifeNet Helicopter.

Richmond Township Fire Protection District would like to thank Spring Grove Fire, Hebron Fire, Wonder Lake Fire, McHenry Fire, LifeNet Helicopter, Richmond Police, the McHenry County Sheriff's Office, and Spring Grove Police for their assistance.

The scene was turned over to the McHenry County Accident Investigation Team.
